THIRD SUNDAY IN ORDINARY TIME

*"Today this Scripture passage is fulfilled in your hearing."*

LUKE 4:21

## PASTOR'S CORNER

***"We are one body in Christ; if one part suffers, all the parts suffer." 1 Cor. 12:12***

Some 49 years ago on January 22, 1973, a devastating earthquake hit the U.S. It was a quake that didn't shake the earth. It was a spiritual disruption that shook the spirit and conscience of every man and woman. Its place of origin, its epicenter, was the Supreme Court and its decision to legalize abortion on demand for any reason, at any time. A mother's womb, once thought to be the safest and most secure place for a child to grow, had been utterly desecrated.

The after-shocks are still being felt. We've lost the sense of the miracle of life. Agencies like Planned Parenthood engage in the selling of body parts. In Steubenville, Ohio, the Attorney General's Office investigated and found Planned Parenthood has sent leftover body parts to a landfill. When life is no longer sacred, we see the loss of respect for women, the proliferation of pornography, human trafficking, etc. We see the after-shocks in a contraceptive culture out of control. In Western Europe, they are experiencing a demographic winter. The local population is dying out so much that there will not be enough children to replace or care for an aging population. In places like Scandinavian Countries, euthanasia is now being considered for young children. Love and care for the sick is seen as too expensive and burdensome.

Yet in the darkness, there are rays of hope, especially in the younger generation. The Pro Life movement is gaining momentum. More state governments are working to restrict abortion rights. You and I must be the ray of hope in a culture that has lost its way. By prayer, marches, phoning, or writing to our elected officials, we can put a stop to this abuse of human life. In the spirit of Jesus, you

and I must be the source of glad tidings to the poor, the source of liberation of captives, and sight to those blinded by such a radical individualism that can not see the miracle of life.

**Respect  
Life**

God Bless,

**We recently entered Ordinary Time  
in our Liturgical Year...**

### **What Ordinary Time Means in the Catholic Church**

Because the term "ordinary" in English most often means something that's not special or distinctive, many people think that Ordinary Time refers to parts of the calendar of the Catholic Church that are unimportant. Even though the season of Ordinary Time makes up most of the liturgical year in the Catholic Church, the fact that Ordinary Time refers to those periods that fall outside of the major liturgical seasons reinforces this impression. Yet, Ordinary Time is far from unimportant or uninteresting.

### **Why is Ordinary Time Called Ordinary?**

Ordinary Time is called "ordinary" not because it is common but simply because the weeks of Ordinary Time are numbered. The Latin word "ordinalis" which refers to numbers in a series, stems from the Latin word "ordo" from which we get the English word "Order." Thus, the numbered weeks of Ordinary Time, in fact, represent the ordered life of the Church, the period in which we live our lives neither in feasting (as in the Christmas and Easter seasons) or in more severe penance (as in Advent and Lent), but in watchfulness and expectation of the Second Coming of Christ. It's appropriate, therefore, that the Gospel for the Second Sunday of Ordinary Time always features either John the Baptist's acknowledgement of Christ as the Lamb of God or Christ's first miracle - the transformation of water into wine at the wedding at Cana. Thus for Catholics, Ordinary Time is the part of the year in which Christ, the Lamb of God, walks among us and transforms our lives. **There's nothing "ordinary" about that!**

**The goal of a Catholic Liturgy is to Communicate a transcendent awareness of the Real Presence of Jesus Christ.**

**Faith in the Real Presence of Christ in the Eucharist demands great beauty, dignity, and reverence".**

**Reverence, dignity, beauty...  
simple ways we all can proclaim our faith in the Real Presence of Jesus Christ in the Eucharist.**

### **St. Hilary's Adoration Society**

*There is Adoration in Church every  
Monday from 8:30am til 4:00pm.  
Come spend some time  
with the Lord!*

All of us know instinctively that nothing compares to "being there" in person. Whether it's being at a friend's wedding, sitting down to have a heart-to-heart conversation, comforting a family member while she is grieving or watching as your baby takes his first steps, we all

know that being physically present makes all the difference. The same logic applies to our life as Catholics. Especially when it comes to the Mass, truly, nothing compares to *being there*.

## **BACK TO THE BASICS**

Resolutions, it seems, are made to be broken. Some folks poke fun at this reality by proposing New Year's vows that are, shall we say, attainable. Here are a few from social media:

- \* Wave to fellow motorists at stoplights.
- \* Sign up for a marathon. Don't run it.
- \* Stop procrastinating - tomorrow.
- \* Get lost without any help from Siri.
- \* Unfriend everyone on Facebook who posts their workout regimen.

The concept of a fresh start, however, can be serious business. The exiled people of Judah desperately needed one. Just over two decades into their seventy-year captivity, God brought encouragement to them through the prophet Ezekiel, promising, "I will now restore the fortunes of Jacob." (Ezekiel 39:25)

But the nation first needed to return to the basics - the instructions God had given to Moses eight hundred years earlier. This included observing a feast at the new year. For the ancient Jewish people, that began in early spring. A major purpose of their festivals was to remind them of God's character and His expectations. He told their leaders, "Give up your violence and oppression and do what is just and right" and he insisted on honesty. (Ezekiel 45:9-10)

The lesson applies to us, too. Our faith must be put into practice or it's worthless (James 2:17). In this new year, as God provides what we need, may we live out our faith by returning to the basics: "Love the Lord your God." and "Love your neighbor as yourself." (Matthew 22:37-39)

## **THREE TIPS TO BOOST YOUR PRAYER**

*Prayer fuels our spiritual life, but praying effectively can be challenging sometimes. Even the saints had dry spells. Among these was the mystic and Carmelite reformer, St. Teresa of Avila. Try these suggestions from her to enliven your prayer:*

- \* **Become aware of God's presence.** It may feel as if God is distant, but He is so close. St. Teresa began by enjoying God's nearness. Know that He is with you and wants your company.
- \* **Bring a good book.** St. Teresa, who struggles with dryness in prayer, kept a book with her. Scripture, Lives of the Saints, or a book about the Faith can help us focus and spark conversation with Him.
- \* **Be honest.** It is said that St. Teresa once fell into the mud and told God bluntly, "If this is how you treat your friends, no wonder you have so few of them!" God wants you to share all your experiences with Him - good and bad. Entrust your cares to Him.

**PROTECTING LIFE IN PENNSYLVANIA Pennsylvania's Life Amendment:  
Prevent courts from forcing you to pay for abortion & keep abortion  
OUT of our state's constitution**

God is the author and creator of all life. Not only is he the author but he cherishes life since human life is created in his own image. And, we too, as his people, should also cherish and protect life as he does. May our hearts echo the words of the psalmist, "I praise you, for I am fearfully and wonderfully made" (Psalm 139:14), and may our actions echo these words as we make our voices heard for the unborn who are fearfully and wonderfully made.

**The Problem:** The Pennsylvania Constitution contains no right to an abortion, but Pennsylvania's abortion industry is asking the Supreme Court of Pennsylvania to invent one in a case they filed called Allegheny Reproductive Health Center v. Pennsylvania Department of Human Services. The abortion industry is also arguing that the state constitution requires taxpayers to pay for abortions.

While the Commonwealth Court ruled against the abortion industry in this case, it has been appealed to the Supreme Court of Pennsylvania – and court watchers believe it's likely that our state's high court will invent such a right and side with the abortion industry's demands. PA would join a dishonorable list of states where lawsuits have resulted in those state supreme courts "finding" a right to abortion in their constitutions, thereby striking down pro-life laws just like ours.

If the abortion industry wins this case, it would not only force taxpayers to fund abortion, but would likely establish a right to abortion in Pennsylvania's Constitution. If abortion is declared a constitutional right in Pennsylvania, all current pro-life protections – a 24-hour waiting period, informed consent, 24-week abortion limit, and more – would be in jeopardy of being repealed. Even if Roe v. Wade gets overturned at the national level, preborn life would be less protected in Pennsylvania, and their deaths would be paid for with your taxpayer money.

**The Remedy:** A constitutional amendment is needed to prevent courts from forcing taxpayers to pay for abortion. The Life Amendment would also protect our existing pro-life regulations by keeping abortion out of the PA Constitution, and allows our legislature to enact future pro-life laws to protect women and preborn babies.

**The Process:** The amendment language must pass both the PA House and Senate by simple majorities in two successive terms of the legislature. The first vote will happen in 2022. If it passes, the second vote would take place in the 2023-2024 session. Amendments do not need a governor's signature and cannot be vetoed. Upon passage in the second session, the amendment then goes to a vote of the people on the ballot, most likely in the general election in the Fall of 2023.

**What You Can Do:** Contact your State Senator and State Representative and ask them to vote YES on Senate Bill 956, the Life Amendment. To send an email, visit [pafamily.org/protectunbornlife](http://pafamily.org/protectunbornlife). This is a YES to protect you from being forced to pay for abortion and to keep abortion out of our state's constitution. Share this news with friends and family. For more, visit [PaLife.org](http://PaLife.org). Pray for the success of this constitutional amendment effort. Thank you.
